For Someone Special

You don't get nearly the recognition you deserve. We just wanted to take a moment and tell you how much our family appreciates all that you do for us and others.

Merry Christmas!

Merry Christmas!

Our family is excited to celebrate this holiday season by focusing on others. This little treat is just our way of saying THANKS for who you are and what you do!

You are a special friend to us!

We are grateful!

Thank you for how hard you work. We think it's WAY more fun to give than to receive. There's no better time than the magical season of Christmas to stop and say thanks to one of our favorite people. Merry Christmas!

You came to mind...

When we thought of someone special to surprise with love, you came to mind. You didn't ask for it and you never would. We hope this makes you smile.

These gift tags are made especially for handing out candy canes! First, print and cut out as usual, including the dotted line portions. Then, wrap the dotted line portion around the candy cane and secure with adhesive tape.
