

Deeper Still

Barbara Francis

This prayer exercise is just a beginning. I hope you continue to add scriptures that are meaningful and helpful to you as you face the many scenarios life can throw at us. It's good to know where to head in God's word when the unexpected comes calling. Why? Because we are caught off guard; our mind and memory can go blank but we need God's perspective and we need it *now!*

- Psalm 43

When sorrow clouds His lovely face

- Matthew 26:36-42; Mark 14:32-39; Luke 22:39-45

When death takes one we love

- Luke 11

When fear assaults

- Exodus 14:13-14
- Psalm 27

When enemies taunt

- Psalm 109:1-5
