Dear Pop,

We are making a very important keepsake for our family. It's called "Our Heritage of Faith." We want to remember how it all began. Why our family is blessed enough to know the love of Jesus. So, we can keep passing this good news on to our kids and their kids. There is no rush on timing. It would mean so much if you filled this out for us. You don't have to answer all of them of course. We just want to know whatever God puts on your heart to share. Don't feel overwhelmed. It's only going to be around for... forever.

Love, Your Granddaughters
